

European Network for Children with Arthritis

Fun with JIA

Or any Autoimmune /Auto-Inflammatory disease.

Challenge!

ENCA is challenging all kids with JIA !
Are you between 6 and 18 years old?

Every day, your disease gets in your way of things you want and sometimes need to do. But now ENCA want you to challenge your JIA/ autoimmune/ auto-inflammatory disease and beat it!

Fun with JIA. We challenge you to make a short video where you can show everybody that you certainly can have fun despite the limitations you may have.

No challenge is without a good prize. If your video wins, then you can look forward to a great prize.

There are two categories:

- Age 6 - 12, and age 12 -18.

Make a video of up to **2 minutes**, showing you having fun despite your JIA (autoimmune/auto-inflammatory disease.)

Rules

- The video must be a MP4 file.
- Send it to secretary.enca@hotmail.com
- There will be 1 winner in each category.
- The contest starts at April 1st (No that isn't a joke!) and ends July 15th.

What can you win:

- Ages 6 - 12 a €200 gift voucher
- Ages 12 - 18 a €300 gift voucher
- All the winners will be invited to come free of charge to our conference in September in Athens with one of your parents.
- Your video will be shown on the You Tube channel, the website and facebook page of ENCA

who of you dares to take this challenge??

***Send your video to:** Secretary.enca@hotmail.com (You can use "We Transfer" for it)

What should be in this mail:

Your name, age, country and the name of your JIA/autoimmune/ auto-inflammatory disease.
The name of your association (if you belong to one) and your parents' names and their email address.
